

Customs Clearance Limited Who We Are & What We Do?

customs clearance solutions • consultancy • air courier • airfreight • sea freight • road transport • distribution

Customs Clearance Limited is a UK based organisation that offers a UK & European gateway for items in need of customs clearance & on forwarding distribution. With our core associates we are able to offer overnight delivery options, as well as sameday and timed delivery solutions.

As an independent broker we are able to think outside the box, listen to the needs of our customers and tailor a suitable service to reach the demand of our customers that is reliable, consistent, confidential and user friendly. All customs entries are performed electronically, with updated state of the art software that is encrypted and approved by HM Revenue & Customs.

We also house our own **ERTS** facility which is an abbreviation for **ENHANCED REMOTE TRANSIT SHED**.

This facility is a bonded warehouse, controlled under the watchful eye of HM Revenue & Customs, that gives us extra value added options in terms of freight handling of breakbulk consolidated cargo.

Neutral solutions to the freight forwarding & international courier industry.
